VOLUME XIII—ISSUE 4

WHEN YOU THOUGHT I WASN'T LOOKING

When you thought I wasn't looking, I saw you hang my first painting on the refrigerator and I immediately wanted to paint another one.

When you thought I wasn't looking, I saw you feed a stray cat and I learned that it was good to be kind to animals.

When you thought I wasn't looking, I saw you make my favorite cake for me and I learned that the little things can be the special things in life.

When you thought I wasn't looking, I heard you say a prayer and I knew that there is a God I could always talk to and I learned to trust in Him.

When you thought I wasn't looking, I saw you make a meal and take it to a friend who was sick and I learned that we all have to help take care of each other.

When you thought I wasn't looking, I saw you give of your time and money to help people who had nothing and I learned that those who have something should give to those who don't.

When you thought I wasn't looking, I saw you take care of our house and everyone in it and I learned we have to take care of what we are given.

When you thought I wasn't looking, I saw how you handled your responsibilities even when you didn't feel good and I learned that I would have to be responsible when I grow up.

When you thought I wasn't looking, I saw tears come from your eyes and I learned that sometimes things hurt, but it's all right to cry.

When you thought I wasn't looking, I saw that you cared and I wanted to be everything that I could be.

When you thought I wasn't looking, I learned most of life's lessons that I need to know to be a good and productive person when I grow up.

When you thought I wasn't looking, I looked at you and wanted to say, "Thanks" for all the things I saw when you thought I wasn't looking.'

Men's Softball to Start Soon

It's just around the corner: the start of a new season for men's softball. Get your bags cleaned up and your gloves treated. Start swinging that bat some (or that first hit may sting). The first softball season of 2008 will begin, Monday, February 18. Stay tuned for actual game times. In the meantime, while working out your arms and legs for another season, before sure to register with WCAA at www.wcaaonline.org to play any of the sports offered by WCAA. Beginning in 2008, annual registration with WCAA is mandatory.

If you are interested in joining us for an evening of fellowship and playing a fun sport, please let me (Paul Gidden) know. We can always use more players.
